

Jenifer Mackby

Consultant, InterAcademy Partnership
Senior Adviser, Partnership for Secure America

Jenifer Mackby has worked on non-proliferation and international security issues at the InterAcademy Partnership, Federation of American Scientists, Partnership for a Secure America, Center for Strategic and International Studies, and the Comprehensive Nuclear-Test-Ban Treaty Organization (CTBTO). She is co-directing a project with the InterAcademy Partnership on establishing a scientific advisory body for the Biological Weapons Convention. Ms. Mackby served as Secretary of the the negotiations on the CTBT, the Group of Scientific Experts, the Verification Working Group at the CTBTO, the Biological Weapons Convention Review Conference, and a committee of the NPT Review Conference. She has led projects on Asian and European Trilateral Nuclear Dialogues, 21st Century Nuclear Issues, a Russian-European study on bioterrorism, among others, lectured at universities, spoken at conferences around the world, and written extensively on these issues.
